

Health System Strengthening through Community Health Promotion

Geneva, WHO, Room 4341, 4th floor
Tuesday, 18 January 2011, 17:00-19:00

Objectives: Share and identify common interests in order to maximize an effective participation at the WHA in May. Demonstrate successful health promotion strategies, thus contribute jointly to achieving the MDGs through mobilising the NGO and Civil Society community.

Chair: Bernard KADASIA (IAS), Vice President of the Alliance

Speakers: K.C. TANG, WHO Health Promotion Unit
Peter CARSON, consultant - Making health promotion tangible - a knowledge base on community assets - A project of the Alliance

Brief presentations of participants on their experience in health promotion and plans for 2011

Discussion
