

The Alliance for Health Promotion
is pleased to invite you to its

Annual Consultation during the WHO EB
on 28 January 2015, 14.30 - 16.00
in the WHO Library Meeting Room
Geneva

"Topical Issues in Health Promotion"

Speakers

Mr Arinze AWILIGWE, International Pharmaceutical Students' Federation, IPSF member
"Improving access to safe drinking water in Delta State, Nigeria" a project of R20

Dr Manoj KURIAN, Associate Professor, Kent State University
"Health Promotion and Ethics"

Furthermore, we would like to have an exchange about how you experience health promotion in your own lives, your motivation, or the challenges and obstacles.

Your input will contribute to launching our Health & Happiness Campaign.

The Permanent Mission of the Kingdom of Bhutan in Geneva will be represented at the meeting,
